Discussed Puggins J-69-1 BOA Decision. We will  
have review power during site plan application.  
He also has new restaurant with no permits! Will  
talk to Ken Wilson about this!

Eric Anderson wants to lease conservation land  
for beef cattle pasture. He would like to pasture  
for 3-4 cows. This would involve clearing,  
putting up fence, fertilizer. Eric is interested in  
5 yr lease. We will discuss with selectmen  
and town counsel. He can barter rather than  
pay (his services for trailhead parking, house tour,  
down, etc) Is this compatible with will? What is  
price per acre. Eric can call Cooperative Extension.  
When would lease begin? When stumping is done.  
Cl wants a list of do's & don'ts of will from  
Silas. 878-3739 Eric.

Need to create management plan for Brouson  
land. Ann will research RSA 36A for info about  
uses.

Bob D. will form a plan with post-its.  
Who is getting rent from Denis Graham! Charlie  
will find out.

Need to get appraisal of Whittaker Estate and  
determine how we will sell it.
