The conservation commission held a special meeting to discuss and vote on a proposal from Craft Appraisal Services to appraise for a fee of \$3,400 the market value of parcel B-4-2 and the value of an easement on parcel B-3. (Parcel B-3 will be excluded unless the Selectmen agree to have it included in the deal to purchase B-4-2.) Bob D. moved that we accept the proposal. Bob L. seconded. Motion passed unanimously, with Barbara recusing herself.
