**New Business:**

Purpose of work session was to discuss how best to move forward with the Town Hall Renovation. Wally proposed a three part strategy, addressing different areas of need – drainage/foundation, roof timbers and covering, miscellaneous indoor work. It was agreed to connect with the people in Temple that worked on their restoration, and to use the list of contractors provided by Preservation Alliance as a start to get bids for different projects. Grants will be part of the process. Agreed to create a building restoration fund at next year's Town Meeting; meanwhile, donations can be accepted into the General Fund for that purpose and used to open that fund in 2020.

Pete offered to head the project, and Kathy will send him the contact information she has for state and Temple
