Selectmen Staff Meeting 1/28/2020  
Approved Minutes

**Present:** Selectmen Louise Lavoie, Pete McGinnity, Charles Moser; Fred Greenwood; Kathy Wile

**Called to Order:** The meeting was called to order at 6:30 PM by Chair Louise Lavoie.

**New Business:**

- No budget changes have been made to requested FD budget for 2020.
- Chief Greenwood questioned the wording for the WA requesting adding to the reserve fund – does it specifically say new truck? The proposed wording was reviewed, and only requests adding that amount to the fund – no particular purchase.
- Garage doors will be installed on the green building on Feb 13. Fimble doors will be doing the installation; they have already serviced the bay doors as well.
- Water was hooked up to FD building today, and will be tested.
- CPR recert being offered at the FD 2/6/2020 at 7 PM. HD and PD have both been invited, use of the AED units will be covered as well.
- Fire call last week for smoke in a residence. Owner was not home but notified via home security system. No fire, potential issue with pellet stove, advised to have it serviced.
- Chief Greenwood will be trying a new system of firefighter deployment for a couple of firefighters that live furthest from the station and have trouble making it in time for a truck. He will review after a few calls in those areas and see the results.
- Fred would like to have the outside of the fire station power washed this summer. Department owns a machine, hoping labor can be provided by the town. Selectmen agreed that could be done.
- Chief reported he had to replace a light fixture on Engine 3 – new unit is so much better and brighter he will replace the other light fixtures as well, and keep replacing the small issues as they arise since the department plans to keep that engine.

**Adjournment:**

There being no further business, Louise motioned to adjourn, second from Pete. Three votes to adjourn at 6:55 PM.

Respectfully Submitted,  
Kathy Wile  
BOS, Administrative Assistant
